

Dear FCC: I want to express in the strongest terms how outraged my family and I are at the deplorable TV stunt that was once known as the Super Bowl Show. CBS has hit an all time low in their pregame, halftime and postgame coverage. I won't comment on particulars but I know you know what I am talking about. My family which consists of my parents, ages 67 and 64, my wife and I ages 45 and my children ages 13 and 14 were appauled by the immature, filthy and ignorant way the program was presented. There was nothing about the show except for the game itself that was worth saving. It is a sad day when I must counsil my children on the trash that was portrayed. This was supposed to be a family day of enjoyment that turned out to be an imbarassment for us all. Please stop this nonsense from ever happening again by shutting down CBS and giving the licsense to broadcast to someone with more wisdom and intellectual property. Thank you for your time and help.

Sincerely, Ken Callantine
